

Travel insurance

Travel Insurance is an insurance policy that provides 24 hours emergency medical assistance, personal accident cover, compensation for travel delay and loss of traveller's property and other travel related contingencies arising during the trip.

Important points

What is the nature of coverage?

This policy is not a general health insurance policy. Coverage is intended for use by the Insured in the event of a sudden and unexpected sickness or accident arising when the Insured is outside of his Home Country.

Travel Insurance is compulsory on all **Shark Holidays** trips and is a condition of booking with us. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses, including emergency repatriation. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects

Your insurance policy will need to be sighted by your leader on day one of your trip. Failure to do so will mean exclusion from the trip. Please ensure you have your policy number and emergency telephone number for your insurance company. If this is unavailable please ensure you have the necessary information required by your insurance company in case of an emergency.

We also recommend you take out cancellation insurance. This may cover cancellation penalties in certain circumstances if you have to cancel your trip unexpectedly due to illness, injury or unforeseen circumstances. Unfortunately cancellation insurance will not cover you if you change your mind.
